

PRESS RELEASE

Whitestone heads west with Cirque du Soleil

John D. Clark, Sr., President/CEO, is proud to announce that The Whitestone Group has been selected to be the provider of professional security services for the world-renowned Cirque du Soleil Traveling Big Top Shows. Whitestone's security specialists work 24/7 to ensure the safety of all those involved with this big top extravaganza. Currently, Whitestone's professional security specialists are off to the west coast to provide security for Cirque du Soleil's Volta performances in San Francisco and San Jose, California.

Earlier this year, Whitestone traveled to East Rutherford, New Jersey; Boston, Massachusetts; and, King of Prussia, Pennsylvania, to provide a professional security force for their Traveling Big Top Shows' Luzia and Volte. Tasks performed included, but were not limited to, perimeter security, guest services, access control, bag checks and hand wandling.

To ensure the safety of each participant, guards stand post during the show's set up, performance and tear down. Additionally, an exceptionally qualified, highly trained manager is assigned to be on-site 24/7 to aid in providing consistency and establish familiarity from city-to-city. On-site security management also offers continuity of operations and ensures a smooth, efficient transition between each show.

In 2003, The Whitestone Group was the first company to have multi-regional contracts for Cirque du Soleil. Whitestone had the contract for four years from 2003 to 2007.
